

Information, Education & Support for Families of Diverse Learners

The **State Support Team Region 3 (SST3)** knows that a strong School/Family Partnerships enhances student success. To support the efforts of families and schools, the SST3 provides *information, education & supports* in the areas of:

- Early learning and school readiness,
- Special education, career tech and post secondary options,
- School improvement supports,
- Positive behavior supports and interventions, and
- Curriculum and instruction.
