2011 to present

B.S. Ed - Special Education

M.Ed. - School Psychology

Ed. S. - School Psychology, Early Childhood

Susan Schraff is a consultant for the State Support Team (SST)-Region 3. The core work of the SST is: 1) to assist districts in the implementation of the Ohio Improvement Process (OIP); 2) to assist districts in improving results for students with disabilities and; 3) to provide targeted support to districts to address issues of special education noncompliance. SST consultants provide support, professional development and technical assistance to district, building and teacher leadership teams as they address these processes.

In addition, Susan is responsible for managing the Advisory Council on Special Education meetings which are held throughout the year to provide information and support to district leaders responsible for overseeing special education services and supports.

Prior to joining the ESC and State Support Team, Susan worked for 22 years with the Cleveland Heights-University Heights City School District. While in CH-UH she served as a Coordinator of Special Education, Director of Special Education and Director of Student Services. Susan began her career as a classroom teacher with the Positive Education Program and remained with the agency in various capacities for 10 years before joining the Lakewood City School District and then the Cleveland Heights-University Heights City School District.
