

Differentiated Instruction and Instructional Strategies for ALL Children

Tuesday, December 8, 2009

Dr. Richard Villa has worked with thousands of teachers and administrators throughout North America and the world, to develop and implement organizational instructional support systems for educating ALL students within the general education classroom. This session will focus on differentiated instruction and instructional strategies for ALL students.

For general education teachers, special education teachers, principals, administrators, paraprofessionals, service providers and other interested educators.
