This is an “ODE Approved” professional development offering.

Administration of the Get It, Got It, Go! Literacy Assessment

Friday, March 12, 2010

The Ohio Department of Education, Office of Early Learning & School Readiness, has selected the Get It, Got It, Go! screening as the early literacy tool to assess and document the progress of children. This three-hour hands-on workshop will provide participants with the information needed to administer the assessment, monitor child progress and report the results. Participants will receive a set of picture cards, written instructions, administrative guidance, recording forms and a timer.

Registration for this workshop and other events sponsored by SST Region 3 must be done through the Ohio Department of Education's registration system, STARS. We will no longer accept paper registrations.

To register on STARS for this event go to <https://safe.ode.state.oh.us/portal/>. A “SAFE Account” must be set up first in order to register. For additional information or assistance call Bonnie Simons, 216-524-2770, extension 3818.

This activity is funded in whole or part of IDEA, Title VI-B, and Grants to states through Ohio Department of Education grants to Educational Service Center of Cuyahoga County.
